RULES OF USE			
1	A responsible adult must supervise the users at all times.		
2	The supervisor is to monitor weather conditions – if high winds arise, remove all occupants and switch off the power to the blower/s to avoid the jumping castle becoming airborne.		
3	No running or jumping or pushing into other people on the equipment.		
4	No running or jumping into the walls of the equipment.		
5	No climbing, sitting or hanging on the walls of the equipment.		
6	No running or jumping from the top of the slide.		
7	No running/access up the slide. Access is only up the ladder and egress down the slide.		
8	No backflips or somersaults.		
9	No bigger/older users on the equipment with smaller/younger users.		
10	No diving or jumping into or out of the equipment through any openings.		
11	No jumping, playing, sitting or otherwise causing obstruction on the entrance step of the equipment.		
12	No shoes on the equipment.		
13	No sharp or dangerous objects (i.e. jewellery, belts, toys etc.) or pets on the equipment.		
14	No food, drinks or chewing gum on the equipment.		
15	No smoking or BBQs near the equipment.		
16	Users must maintain adequate hydration. The equipment can become quite warm inside and often exceeds external temperatures.		
17	Do not add water/ slip agents etc. to the equipment.		
<b>PLEASE TURN OVER - RULES OF USE CONTINUES OVER PAGE</b>			

### RULES OF USE - (CONTINUED)

18	No person under the influence of drink or drugs should use, supervise or operate the equipment.
19	No adults on the equipment.
20	The equipment is intended for use only by children and only under competent supervision.
21	Entrance/exits areas must be kept clear of onlookers so that the supervisor has a clear view and can ensure that users enter/exit safely.
22	All users must conform to device specific height restrictions on the equipment.
23	The allowable occupant weight associated with the equipment is a guide only. It is up to the supervisor's own judgement to monitor the number of users on the equipment at any time.
24	No person is allowed on the equipment when it is being inflated or deflated and the device must be deflated when not in use.
25	HAVE FUN!!!

### DISCLAIMER AND WAIVER

1	Please note that ALL persons using this equipment do so at their own risk.
2	You will be responsible/liable for any damage or injury occurring from or as a result of misuse or reckless use of such equipment hired.
3	The Rules of Use above are for the safety of all people using the equipment, and it is your sole responsibility to ensure they are fully adhered to at all times.
4	We cannot accept any responsibility for any injuries sustained by anyone using the equipment hired.
5	You will take all necessary precautions regarding the equipment and protect all persons and property from injury or damage.
6	You acknowledge that you are in charge of the operation and use of the equipment and are fully responsible for its safe operation and use as well as the return of the equipment in good working order.
7	You acknowledge and agree that we are not responsible for any injury occurring to you and or any other persons using the equipment, or to any claims by any other person(s) injured by or on account of the equipment, while the equipment is in your possession.
8	You agree to defend, indemnify and hold harmless us from and against any and all liability, claims, judgements, legal fees, and costs of every kind and nature, including but not limited to, injuries or death to persons and/or damage to property, whether or not such claimant is known or unknown to you, which arises out of the use, operation, instruction, possession, or rental of any of the equipment, however caused, but with such claim arising while, or such injury or damage occurring while, such equipment is in the actual or constructive possession of you.
9	These provisions apply to, but are not limited to, any injury, death, damage, claim or liability which may arise on account of the negligence, whether active or passive, of us or our suppliers, agents, employees, contractors, drivers or installers.

### AGREEMENT

1. I agree that the weather conditions are safe for the equipment's intended use with any of the above-mentioned precautions adhered to. I understand if conditions worsen, I shall immediately evacuate the equipment and deflate it as I have been shown.
2. I agree that the equipment has been set up in an acceptable and safe location and all equipment is adequately secured and safe for use. If there are any changes/concerns then I shall shut down the equipment and contact HFJCPH immediately.
3. I have read and understood the Terms and Conditions provided to me at time of booking and found at hfjumpingcastles.com.au and I agree to be bound by them.
4. I have read the Rules of Use and had them explained to me. I understand them and agree to be bound by them.
5. I have read and understood the Disclosure and Waiver above and agree to be bound by these provisions.
6. If any incidents occur, I shall request and fill out an incident report which will be carried and supplied by HFJCPH
